AUTOPHOTO: CARS & PHOTOGRAPHY, 1900 TO NOW

A photo history of the romance between art and cars gets smartly considered in a book created specifically for the Fondation Cartier, *Autophoto: Cars & Photography, 1900 to Now*, from Éditions Xavier Barral. More than 500 works made by 100 historical and contemporary artists from around the world are shown, including Brassäi, Robert Doisneau, William Eggleston, Walker Evans, Robert Frank, Jacques Henri Lartigue, Joel Meyerowitz, Catherine Opie, Martin Parr, Ed Ruscha, Malick Sidibé, and Stephen Shore.
